You guessed it right. June is Donald Trump's Birthday Month. **BUT why would I mention this to YOU?**

Well, since you have been kind enough to be a part of our business, **I wanted to take the opportunity to give YOU a gift on Donald Trump's birthday.** I am sure Mr. Trump doesn't mind. He seems to have plenty of stuff, so I'd like to celebrate his birthday by giving you (and those you know), TWO very special gifts! Yes, TWO gifts.

Gift #1 is my home buyer guarantee.

Love Your New Home or I'll Sell It for Free*

Yes, this is the guarantee I am most famous for. And you will know that whether it's a super awesome real estate market or a housing recession, I have not wavered from this guarantee. The peace of mind from a guarantee like this is a fantastic gift. I can think of none better.

My team and I are committed to results. In fact, Results Oriented is one of our core values. Over the years people have been coming to us when they want their home sold, at their price and with the least hassle. We look forward to the future of Guaranteed Results for area homeowners. Why I Support Children's Hospital of Orange County:

I remember when I first heard about a young person close to a friend of mine suffering from a nasty disease and getting treated at Children's Hospital of Orange County. It was then that I began to pay closer attention to the work they do at that hospital. Since then, I have learned that it is a collection of hard-working health care professionals, most making their home right here in the Orange County area, all coming together for a common cause. That cause is to help young people overcome unfortunate health issues that life sometimes throws our way.

We take pride in supporting the good work these people do at Children's. My team rally's around our annual goal of raising money and donating portions of our income to

help Children's in their quest to heal young people when they need healing. My team and I are committed to providing outstanding results for buyers and sellers referred to us by our past clients. I have discovered that the Children's Hospital of Orange County shares similar commitments to their patients. And since their services survive on sponsorships and donations we are happy to contribute and proud to support them.

I encourage you to visit their website at www.CHOC.org and check out how they are making a difference in the lives of children and their families!
