Labor Day

YADILOH SDRAWKCAB EHT

In case you are not sure of the title... it's Labor Day. The Backwards Holiday. Every year when it rolls around, I wonder why it is named Labor Day. Since it's a Holiday intended to be just that, a Holiday – I would think a better name may be Relax Day or Lazy Day or Off Day or Sleep in Day, maybe even Do-Nothing Day, something other than Labor Day. After all, we know what Labor means. And many will likely be celebrating Labor Day by Laboring.

Labor Day came about because workers felt they were spending too many hours and days on the job.

In the 1830s, manufacturing workers were putting in 70-hour weeks on average. Sixty years later, in 1890, hours of work had dropped, although the average manufacturing worker still toiled in a factory 60 hours a week.

These long working hours caused many union organizers to focus on winning a shorter eight-hour workday. They also focused on getting workers more days off, such as the Labor Day holiday, and reducing the workweek to just six days.

These early organizers clearly won since the most recent data show that the average person working in manufacturing is employed for a bit over 40 hours a week and most people work only five days a week.

Surprisingly, many politicians and business owners were in favor of giving workers more time off. That is because workers who had no free time were not able to spend their wages on traveling, entertainment or dining out.

As the U.S. economy expanded beyond farming and basic manufacturing in the late 1800s and early 1900s, it became important for businesses to find consumers interested in buying the products and services being produced in ever greater amounts. Shortening the work week was one way of turning the working class into the consuming class.

So, to celebrate the month of September and the affection for Laboring, I have a special announcement to make I will be Laboring, but for a very special reason.

My team and I are addicted to helping you and those you know buy or sell the place they call home. In fact, it is a race to help as many as possible so we can GIVE more away.

Children's Hospital of Orange County is Making a Difference Today and for Tomorrow

Through our Go Serve Big mission, we are on a mission to raise \$50,000 for Children's Hospital by donating a portion of our income from home sales to them. As you know Children's Hospital does a tremendous job of helping kids fight through and survive nasty life-threatening diseases like Cancers, Leukemia and Non-Hodgkin's lymphoma: stuff that many times rob the life right out of young people. They also lead the way in early diagnosis or autism and recovering from spinal cord injury.

As the areas leading non-profit, they depend on sponsorships and donations to continue their leading-edge care and keep family's expenses to a minimum.

MAKING A DIFFERENCE

In order to provide their lifesaving work and keep family medical bills to a minimum, Children's Hospital of Orange County depends on Sponsorships and Donations.

So When you hear me say "YOUR REFERRALS HELP THE KIDS..." they really do!

YOUR REFERRALS REALLY DO HELP THE KIDS...

Why I Support Children's Hospital of Orange County:

I remember when I first heard about a young person close to a friend of mine suffering from a nasty disease and getting treated at Children's Hospital of Orange County. It was then that I began to pay closer attention to the work they do at that hospital. Since then, I have learned that it is a collection of hard-working health care professionals, most making their home right here in the Orange County area, all coming together for a common cause. That cause is to help young people overcome unfortunate health issues that life sometimes throws our way.

We take pride in supporting the good work these people do at Children's. My team rally's around our annual goal of raising money and donating portions of our income to

help Children's in their quest to heal young people when they need healing. My team and I are committed to providing outstanding results for buyers and sellers referred to us by our past clients. I have discovered that the Children's Hospital of Orange County shares similar commitments to their patients. And since their services survive on sponsorships and donations we are happy to contribute and proud to support them.

I encourage you to visit their website at www.CHOC.org and check out how they are making a difference in the lives of children and their families!
